*Dear Darryl,*

**30 WARWICK STREET, LONDON W1B 5AL**

Now that our fit out is complete and we have settled into our new offices, I wanted to write to express my appreciation of the work carried out by Fanshawe.

Not only did you ensure that our move came in under budget but also that when additional work was required that Bridgepoint secured the most competitive price and that our contractors remained on track thereafter. In short, your role proved to be indispensable in ensuring, along with others, that we moved in on time according to plan. For this I am very grateful.

I am sure that when we next move (not for some time, I hope), Fanshawe will have the opportunity to be on the team.

*Yours sincerely,  
James*
