Dear Kelvin

The Place - roof extension for new dance studios

As we are now in its final stages, my colleagues and I would like to take this opportunity to thank you and Tom for your committed and enthusiastic work on this project.

Your experience, insight and dedication have been key to the success of both the process and the outcome, and we are immensely grateful.

I have greatly enjoyed working with you, and hope that we have the opportunity to do so again at some point in the future.

Best wishes

Nigel Hinds
Executive Director
