Fanshawe LLP

In November 2010, we relocated our offices to 15th and 16th floors of The Broadgate Tower, which involved fitting out the new office areas from shell and core. We appointed Fanshawe LLP as cost consultants for this project, and we were very satisfied with their professional approach and expertise in the way that they maintained rigorous control over the substantial fit-out costs and ensured that the project was completed within the original budget.

Based on our experience, we have no hesitation in recommending Darryl Trott and his team at Fanshawe LLP as cost consultants for this type of project.

A handwritten signature in blue ink, appearing to read "Anthony Butler", is written over the typed name and title. The signature is fluid and cursive, with a long horizontal stroke at the end.
