Dear Darryl,

Many thanks for your first class service and your contribution to our move into our new Headquarters in Kings Place London. We have been impressed with your management of the financial aspects of the project, from the early cost plan through to the final account.

This has allowed us to bring the project in under our budget and has contributed to the success of the whole project.

We will be delighted to work with you again on future projects.

Yours sincerely,

Bruce Condon
Central European Finance Director
